Dear The Federal Communications Commission,

Sir: I have contacted Congressman Dave Weldon about the FCC charges on my phone bill and his reply to me was "It's illegal" because it was ordered there by a judge and we all know judges do not make laws, they just interpret them. Therefore it is fraud and has no statute of limitations. Please contact Congressman Dave Weldon if you have further questions about unfair and illegal actions.

Thank you Joseph A. Gibson 867 Blossom Dr. Sebastian, Fl. 32958

Sincerely,

Joseph Gibson
